

## PORT FACILITY PROOF ROLLING OF RECLAIMED LAND, OUTER HARBOR, S.A.

### FLINDERS PORTS

<b>Client:</b>	Built Environs
<b>Location:</b>	Outer Harbor, South Australia (Australia)
<b>Machine:</b>	BH-1300 (8t module)
<b>Scope of Project:</b>	Substantial area in excess of 100,000m <sup>2</sup> to be developed over several stages to provided heavy duty pavements for the storage of containers.
<b>Details of Project:</b>	Filled / reclaimed land required proof rolling to isolate weak inclusions in soil dredgings that required rectification.
<b>Performance:</b>	Impact Rolling exposed weak zones & improved compaction in upper 2-3m.
